ROTORUA**

TECH GUIDE.

WELCOME

Welcome to all our riders and supporters here in Rotorua at the 2025 Mountain Bike National Championships. As the premium mountain bike national event, we are in for a treat, and everyone can expect to enjoy a showcase of top level racing.

I would like to thank and acknowledge Rotorua MTB Club, their volunteers and support personnel who are vital to the success of this event. I also want to acknowledge and thank the Commissaires who play a fundamental role in supporting the integrity in our sport – and give their time voluntarily to officiate events throughout the country.

To all of our riders, on behalf of Cycling New Zealand, we wish you all the best for the coming days.

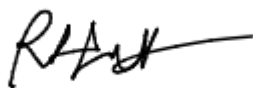

Simon Peterson
Chief Executive
Cycling New Zealand

Kia ora koutou

It is great to have the National Mountain Bike Championship back in the North Island for 2025 in the mountain biking mecca that is Rotorua. With national titles on the line for our Cross Country and Downhill riders, we're set for some great racing over the coming days across all classes.

Thanks to Rotorua Mountain Bike Club along with their local partners for their support to make this event a success. I'd echo Simon's acknowledgement of our awesome commissaires and would also like to mention the great work of the Cycling NZ events team in pulling this event together.

On behalf of MTBNZ, have a great weekend, and let's go racing!

Ryan Hunt
President
Mountain Bike New Zealand

RACE BRIEFING

For XCO – riders will be briefed on the start line prior to their race start.

For DH – riders will be briefed prior to seeding run. Please see times in the schedule above.

Important information including any updated race or course information, any key safety messages, changes to the event or contingency plans will be provided at these briefings.

HEALTH AND SAFETY

The event is committed to providing and maintaining the upmost health and safety standards by ensuring that all risks and hazards associated with the event are adequately identified and managed to prevent harm in accordance with the Health and Safety at Work Act 2015 (HSAW2015).

The safety of the riders, officials, volunteers, and spectators are included in the event planning. This includes (but is not limited to) course inspections, course marking, directional signage, hazard warning signage, communications and first aid provisions.

The venue and course are in a public mountain bike park and other users may be present during the event. The event courses are designed for mountain biking and a certain amount of skill is required. By entering this event you are deemed to have the sufficient level of experience and skill to ensure your own safety. It is your responsibility to manage your own safety during the event, to always be aware of other trail users and to make responsible decisions. There is course taping in place however, there may be public and official traffic on the circuit during your race.

Some of the course being used for the XCO event is on mountain bike tracks that we have permission to ride backwards – FOR THE EVENT ONLY. These are popular trails and used by many. It is extremely dangerous to you and other public if these trails are attempted to be ridden in the wrong direction before the event. Please ensure that these trails are not ridden backwards prior to the event. If anyone is seen and reported doing this, they will be disqualified from the event.

The event is held in an outside environment and weather conditions are likely to be very changeable. Please ensure you are prepared for inclement, adverse, or extreme (hot or cold) conditions. If you have any questions or concerns regarding Health and Safety, please report to the Events Manager or the Chief Commissaire.

RACE PLATE/TRANSPONDER COLLECTION

There will be **one** time and location for race plate & transponder collection:

TIMING AND RACE PLATES

Riders will be issued body numbers and race plates.

The body number must be attached to the back of the rider's shirt. Race plates must be displayed on the handlebars of the bicycle. Pins and zip ties will be provided at race pack pick up.

Race numbers: One required, centrally placed on the lower back.

Race plates must be attached to the bicycle vertically and not wrapped or curved around the bars – officials need to be clearly able to read the number or no place can be awarded.

Altering, cutting, or placing of unauthorised sponsors' logos on numbers will result in a fine and/or disqualification. All riders must display their race numbers if riding the course on the official practice day(s) or on race day(s). Downhill riders will not be allowed on the chairlift unless they have a number attached to the handlebars of their bicycle.

Timing transponders will also be provided to riders at race pack pick up. These must be secured around your front fork and returned after your race. Riders will be charged \$50+GST for timing transponders that are not returned.

POSTPONEMENT / CANCELLATION

Due to the location of the event within a forest environment it is a difficult area to manage racing in inclement weather. Racing, particularly the DH may be affected by high winds which could affect the ability to race within the forest. This is monitored, and outcomes controlled by Timberlands, who oversee Safety within the Forest. Every option will be enacted as a contingency to continue to provide the scheduled racing however we all need to understand that any decision to change, postpone or cancel racing will be done solely with rider's safety at the forefront.

EVENT REGULATIONS & EQUIPMENT

Racing will be conducted under the [MTBNZ Technical Regulations \(Version 2.3, 1 November 2024\)](#) and the rules and regulations of the UCI: <https://www.uci.org/>

All riders, by entering this event, agree to accept and abide by the Cycling New Zealand Code of Conduct.

The MTB Protective Equipment Requirements apply and is required to be adhered to by all riders. See Section 7 in the [MTBNZ Technical Regulations](#) for more information.

POINTS

The following events are registered with the UCI and will be eligible for UCI Points. UCI points are being awarded as per the UCI Regulations, Part 4 Annex 2, for the appropriate points scale, and summarized as follows:

	National Championships
XCO Cross Country	
Men's and Women's Elite/U23 Combined Races	Top 10
Men's and Women's Junior	Top 5
DHI Downhill	
Men's and Women's Elite /Junior Combined Races	Top 10
XCC Short Track	
Men's and Women's Open (riders aged 19 and over as of 31 December 2025)	Top 10

NATIONAL JERSEYS

National Jerseys are awarded to the first-place rider in each gender across the UCI categories, as per the UCI regulations. There are some exceptions noted below for each discipline:

Cross Country:

The Elite/U23 races will be run as a Combined Race. In the case of a U23 winning the Combined Race only one (Elite) National Jersey will be awarded to that rider. In the case of an Elite winning the Combined Race, the winner will be awarded with the Elite National Jersey and the first placed U23 rider will be awarded with a U23 National Jersey. The U19 race is separate, and the winner will win the U19 national jersey.

Short Course Cross Country:

There is one elite race per gender, and one jersey will be awarded to the fastest male and female on the day.

Downhill:

In the case of a U19 having the fastest time of the day only one (Elite) National Jersey will be awarded to that rider. In the case of an Elite having the fastest time, the winner will be awarded with the Elite National Jersey and the first placed U19 rider will be awarded with the U19 National Jersey.

PARKING

All events will take place in the Whakarewarewa Forest. There will be the registration/race plate & transponder pick up location and two event hubs.

For registration/race plate & transponder pick up, please park at the Waipa MTB Carpark, Waipa State Mill Road.

The Cross Country (XCO), Cross Country Short Track (XCC) will be based out of the Te Putake o Tawa Carpark off Tarawera Road, approximately 6 kms from the Tarawera Road, Te Ngae Road intersection.

The Downhill event hub will be at the bottom of the Taniwha Downhill Track on Pipeline Road within the forest.

ALL parking for the Downhill event will be at the Waipa Carpark (main carpark between Mountain Bike Rotorua and Secret Spot). **All vehicles must park here, there is no private vehicular access past this point.**

TEAM PIT SITES

XCO/XCC:

Team pit space is available on the reserve area at the Te Putake o Tawa Carpark in the designated areas as shown on the XCO Start Area map, page 17.

Downhill:

Pit space at the end of the Downhill track will be available but limited in the allocated areas as shown on the DH Hub Area map, page 21.

Due to ongoing Forestry works there will be **no** available pit space opposite the MBR MTB shuttle pick up area.

FOOD AND BEVERAGE

Food and coffee carts will be available at both venues. Please be aware that reception at the end of the downhill track can be patchy so a bit of cash could be handy just in case.

Water supply is available at both venues. There are numerous water taps at Te Tupuke o Tawa and there is a water tap available by the toilet block on Pipeline Road at the Downhill venue.

SHOWERS

Showers are available at both Waipa and Te Putake o Tawa carparks. You will need to purchase “Penny Keys” to use these facilities . More information can be found [here](#). Penny Keys are available to purchase from MBR at Waipa and both i-Site locations in Rotorua.

RUBBISH BINS

There will be no rubbish bins provided at this event, please plan to take your own rubbish away with you.

SMOKE, VAPE, DRUG AND ALCOHOL FREE

The entire event is smoke, vape drug and alcohol free. Please ensure all your supporters are aware of this.

Practice runs: All riders must complete a minimum of two practice runs over the allocated Practice times to qualify/race.

Race Plates: Riders must display their handlebar number while training as well as their back number during qualifying and the final.

Uplifts: Riders will catch the MBR shuttles provided to the Downhill start location. No competitors are to use any transport other than the official transport supplied by the race organisers for the official downhill practice or race day(s). Riders must have their race plates on their bikes for all practice, seeding and race runs. Race plates will act as shuttle passes on Sat/Sun.

Only practice in your designated time slot – if you are found to be practising in another time slot, without permission, or outside the official practice times, you will be disqualified.
