## 1. WELCOME

---

On behalf of the Cycling New Zealand Road, Track and Cross Council, I would like to welcome you to the 2025 Track National Championships in Invercargill.

It will be exciting to have another opportunity to see New Zealand's top track cyclists racing for the coveted National Champion jersey on the boards of the SIT Zero Fees Velodrome.

Thanks to the event organisers, Cycling Southland and to the team of volunteers, officials, and our Commissaires, all of whom are giving up their time to ensure the event happens. We are grateful for the support of the people here this week but also to the hundreds of volunteers who work tirelessly behind the scene at club events around the country. Volunteers are truly the backbone of cycling in this country.

We wish all the riders the best of luck and a safe and successful competition and to the spectators

We hope you enjoy exciting racing.

---

Welcome to all our riders and supporters here in Invercargill at the 2025 Track National Championships. As the premier event on the track cycling calendar, it's great to have many of our top cyclists representing their teams and clubs, here in Invercargill. I'm sure there will be a lot of support for all riders and their support teams and personnel through the local community that has such a strong and proud cycling heritage.

I would like to thank and acknowledge Cycling Southland, their volunteers and support personnel who are vital to the success of this event. I also want to acknowledge and thank the Commissaires who play a fundamental role in supporting the integrity in our sport – and give their time voluntarily to officiate events throughout the country.

To all of our riders, on behalf of Cycling New Zealand, we wish you all the best for the coming days.

Medal Ceremonies will take place during sessions as stated in the event programme.

Team Managers are responsible for ensuring their riders are at the presentation area at least 10mins prior to the presentation taking place. Medal winners must make themselves known to medal ceremony officials upon arrival. Due to the tight scheduling of the event programme a medal ceremony protocol has been established to keep these presentations streamlined.

1. Riders will be lead to the podium by officials and the riders will stand in front of the podium (not on podium).
2. Each rider will be acknowledged by name and representing club.
3. Riders receive their medal (and Trophy if applicable)
4. Rider step onto podium.
5. Once the 1<sup>st</sup> place has been presented a photo will be taken.
6. Riders leave the podium and return to the waiting area lead by officials.
7. Riders are required to leave their medal on until they return to the waiting area.
8. All trophies presented are to be returned to Event Organisers before the end of the session.

On the 27<sup>th</sup> of September 2024, a survey was sent out to our 2024 Track Nationals database to get their feedback and view on the current National Jersey presentations on the podium. Based on the feedback and discussions, we will remain with National Jerseys being presented to our winner, a photo taken and then the jersey will be returned. National Jerseys will be available to purchase after the event.

We thank you for your understanding on the presentations of the National Jerseys.
